## 1. Document goal

This document applies to everyone purchasing the any LabsLand real-time remote laboratory equipment. The goal is to detail the terms and conditions that apply to this product.

In the remainder of the document, “*The customer*” will be the university or organization purchasing the equipment. Unless otherwise explicitly specified in another document or the invoice, the following conditions apply.

## 2. Terms and conditions

### 2.1 General aspects:

1. All the General Terms and Conditions of LabsLand apply:  
<https://labsland.com/en/legal/terms-and-conditions>
2. Support for IMS LTI Launch, so it can be integrated into the Learning Management System (LMS) of THE CUSTOMER unless the LMS is not compliant with IMS LTI, the IT Services at THE CUSTOMER block third party tools directly or indirectly.
3. Support of an LMS-independent tool for adding students.

### 2.2 Further Aspects

1. Access tracking and statistics
  - a. Possibility of using learning analytics under aspects of privacy protection
2. Support
3. The hardware installed in THE CUSTOMER can only be used through the LabsLand platform, under the following conditions:
  - a. Enrolled students and staff of THE CUSTOMER can access it with no limits, with the number established in the invoice (dependant on the specific equipment).
    - The number of licenses provided cannot be transferred or sold to anyone not formally studying or employed by THE CUSTOMER. This number cannot be accumulated.
  - b. External users who are not staff of THE CUSTOMER and who are not enrolled as students in THE CUSTOMER will need a license to access the platform. A number is provided in the invoice when purchasing.
    - The number of licenses for external users of THE CUSTOMER cannot be accumulated and it is intended for projects partners of THE CUSTOMER or outreach activities.
4. The access to the labs are limited by:
  - a. Any regulation and embargo by either the country where THE CUSTOMER is located, the European Union, Spain, or the United States.
  - b. Any geographical limit that LabsLand defines, either at its own discretion, or imposed by a LabsLand supplier to LabsLand.
  - c. The access to third party labs will additionally be limited by the regulations and embargoes that the third party is subject, in addition to any further limitation that the third party might impose on its access.
